

Srinadh Reddy Bhavanam

Nominee for
Doctoral Representative – I
Student Gymkhana 2020-21

Indian Institute of Technology
Hyderabad

About me

- ◆ Second year PhD Student from the Department of Electrical Engineering.
- ◆ An enthusiastic Scholar, with great desire to represent the Research community at IITH.

Duties and Responsibilities

- ◆ To help the Research students in their academic and cultural issues and solve them through concerned authorities.
- ◆ Working with UG, PG and Departmental representatives in organizing the events of Freshers and Farewell.
- ◆ Working closely with Gymkhana people to bring new initiatives to increase the student's participation.
- ◆ Conducting a series of useful seminars related to research.

AGENDA

Agenda

Being collective voice of the Research community at IITH,

- ◆ Working closely with the heads of department and director to make sure scholars have free mind to carry forward their fundamental research without any avoidable or unnecessary distractions.
- ◆ Organising a research showcase once or twice an year wherein by inviting the industrial and external academia.

Voting is not only our
right – it is our power
